SUBJECT: Palouse River Basin Adjudication (PRBA) Claim No. 87-11561

RESPONSE DEADLINE:
SEPTEMBER 28, 2020

Dear claimant,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 87-11561. After reviewing your claim, I have two issues to bring to your attention:

#4, Point of Diversion: The legal description provided for the well location is half a mile north of the address 2018 East D St.

#9, Place of Use: The legal description provided for the home location is half a mile north of the address 2018 East D St.

Is the well and home located at 2018 East D St.? If they are, I sent an Amended Notice of Claim that corrects the legal description to this address. Please sign and date the Amended Claim by the purple arrow and return it to me. I also sent an aerial photo of the address.

If the well and home is not located at 2018 East D St., please contact me so I can understand the correct locations. If you do not return the signed Amended Claim or contact me regarding the well and home locations, your claim will be recommended as disallowed.

If you have any questions, please contact me with your claim number readily available. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov. If you return the Amended Notice of Claim, my mailing address is 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815.

Sincerely,

Christopher Holmes
