SUBJECT: Palouse River Basin Adjudication (PRBA) Claim No. 87-11576

RESPONSE DEADLINE
DATE: OCTOBER 10, 2020

Dear claimant,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 87-11576. After reviewing your claim, one thing caught my attention:

1. Date of Priority: The information I have available from Latah county shows a year built date of 1994. After reviewing department resources, I can confirm a home on the parcel dating back to at least 1981. You claimed a priority date of 6/30/1933. To confirm this priority date, please provide additional evidence to support this date.

Examples of additional evidence include records that show the original year built date available from the county assessor, the residential property record, written and signed statements by someone who has first-hand knowledge of the property, occupancy records, dated photos, etc.

I called on 9/10/2020 but was not able to leave a voicemail because the voicemail box has not been set up. If you would like to contact me, my telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov. If I do not hear from you or receive additional evidence by the response deadline, your claim will be recommended with a 1981 priority date.

Sincerely,

Christopher Holmes
Water Resource Agent
