Review of Ownership Change & Split.

A review of the deed was confusing since Parcel 1 was contained in Parcel 2 and the map has 2 parcel #2 which is not the same one in the deed. I phone Gwen @ Gooding Co. Assessor's office to see what Cullen's own. Their records indicate it is approx. 40 acres and not the parcel #2 on the map. It belongs to Stoker's.

Their records however show the land in the NESW only but this must be wrong since 155' of the land is in the SESW.

I recommend the split as

36 acres in NESW and

$\frac{4}{40}$ acres in the SESW.
total

155 x 1

$\frac{40}{92}$ of 1,20 cfs or 0.52 cfs.

I phoned Cullen's to confirm they only bought about 40 acres, and they purchased the Parr house so it needs to be change into their name. A36-10211

Change of Address

Decreed - Jaul +
Record changed, NCAP prepared
as 9-2-99

Dear Water Right Holders:

IDWR has been notified the address presently in our records is incorrect. Although we have reached you at the address above, we need your written confirmation this is your correct mailing address before we can change our records. Future notices related to your water rights can be sent only to the address on your water rights or as otherwise changed by you.

Please sign your name at the bottom of this letter and return it to this office. Make corrections to your name and address if necessary and list any other water rights you may have before returning this letter by September 17, 1999. Thank you for your help.

If your mail delivery address changes in any form, please contact us in writing so we can update our records.

If there has been a change in ownership of the property connected with the water rights referenced above, please write down the name and address of the new owner(s) so we can send them a form to make this required change to the water rights record.

Sincerely,

Sally Sherman
Technical Records Specialist

Review of Ownership Change & Split.

A review of the deed was confusing since Parcel 1 was contained in Parcel 2 and the map has 2 parcel #2 which is not the same one in the deed. I phone Gwen @ Gooding Co. Assessor's office to see what Cullen's own. Their records indicate it is approx. 40 acres and not the parcel #2 on the map. It belongs to Stoker's. Their records however show the land is the NESW only but this must be wrong since 155' of the land is in the SESW. I recommend the split as

155 x 1

36 acres in NESW and
 $\frac{4}{40 \text{ total}}$ acres in the SESW.

$\frac{40}{92}$ of 1,20 cfs or 0.52 cfs.

I phoned Cullen's to confirm they only bought about 40 acres, and they purchased the Parr house so it needs to be change into their name. A36-10211
