DIRECTIONS TO PROPERTY / REMARKS:

In office review

On 4/19/91 Mr. Montgomery came into the office in response to the  
proof of priority letter for A36-12464. He indicated that the well  
under this right has been connected to the well from A+B. system  
in 1981 and this right & the expansion claim A36-12464 has been  
used to irrigate the high and moist ground not covered by the  
A+B rights. I reviewed the A+B maps and they show  
this ground as "private right" which agrees with Mr. Montgomery's  
statement. I will recommend this right to cover 70 acres  
and the expansion for 6.2 acres.
