DISTRICT COURT - SRBA
TWIN FALLS CO., IDAHO
FILED _____

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA	)	Case No. 91-00003
	)	
Case No. 39576	)	ORDER DESIGNATING BASIN-WIDE ISSUE NO. 3;
	)	
	)	ORDER LIFTING STAY ONLY TO DECIDE BASIN-
	)	WIDE ISSUE NO. 3; AND
	)	
	)	ORDER SETTING BRIEFING SCHEDULE AND
	)	HEARING DATE FOR BASIN-WIDE ISSUE NO. 3

The court has reviewed the July 13, 1994, *Report of the SRBA Steering Committee* which identifies and prioritizes issues raised by the 1994 legislation concerning the Snake River Basin Adjudication (SRBA). After careful consideration of the Steering Committee's recommendations and recognition of the desire of the Steering Committee, the legislature, and the parties to the SRBA to quickly resolve these legal issues in order to move forward with this case, THE FOLLOWING IS ORDERED:

I. ORDER DESIGNATING BASIN-WIDE ISSUE NO. 3

Basin-Wide Issue No. 3 is designated as follows:

1. Can the legislature expand or reduce the court's jurisdiction in the SRBA after jurisdiction attaches to the parties and subject matter of the action following the issuance of the *Commencement Order* and the filing of notices of claims?

Specifically, can the following legislative changes to the court's jurisdiction be made during the pendency of the SRBA:

- a. Changes in party status, pleadings and relief to be decreed;

- 001 11 000
REVOLVED
- b. Modification of the Idaho Rules of Civil Procedure with respect to the award of costs and attorney fees and the use of mandatory settlement conferences;
 - c. Modification of the Idaho Rules of Evidence with respect to the designation of expert witnesses, the rules governing expert witness testimony, the admissibility of evidence and the legal weight to be attributed to evidence; and
 - d. Expansion of the court's jurisdiction to decree provisions controlling the administration of water rights by the Director of the Idaho Department of Water Resources.
2. Resolution of issue number 1 (above) requires determining whether the SRBA is a court or an administrative proceeding.

Parties briefing these issues may want to consider, but are not limited to, the following:

- A. Idaho Constitution:
 - 1. Article 2, § 1
 - 2. Article 5, §§ 13 and 20
 - 3. Article 15, § 1
- B. Idaho Code § 73-106
- C. Idaho Rules of Civil Procedure
- D. Idaho Rules of Evidence
- E. Idaho Supreme Court Decisions:
 - 1. *Walker v. Big Lost River Irr. Dist.*, 124 Idaho 78, 856 P.2d 868 (1993)
 - 2. *Idaho Conservation League, et al. v. State of Idaho, et al.*, Idaho S. Ct. No. 21144 (July 8, 1994)

These issues are broadly significant and their early and effective resolution will allow for final judicial determination on which the SRBA, generally, and subcases, in particular, may proceed.

II. ORDER LIFTING STAY ONLY TO DECIDE BASIN-WIDE ISSUE NO. 3

The stay in the SRBA is lifted for the limited purpose of deciding Basin-Wide Issue No. 3. No other issue or subcase is affected by this order.

III. BRIEFING SCHEDULE AND HEARING DATE

Any party to the adjudication may respond to this *Order Designating Basin-Wide Issue No. 3* by filing briefs. Briefs shall be filed in Case No. 91-00003 and are due on or before the following dates.

9/7/94 5 p.m. Opening briefs are due.

The briefs shall be titled: *Opening Brief on Basin-Wide Issue No. 3* and shall specifically set forth the legal position and legal authority in support of that position on each issue and/or sub-issue so that the parties may be properly aligned.

9/21/94 5 p.m. Responding briefs are due.

The briefs shall be titled: *Responsive Brief on Basin-Wide Issue No. 3*.

9/30/94 5 p.m. Reply briefs, if any, are due.

The briefs shall be titled: *Reply Brief on Basin-Wide Issue No. 3*.

Service of briefs shall be made on the State of Idaho and the United States Department of Justice (*SRBA A.O.I*) and on any party filing a brief. Parties submitting briefs shall contact the court prior to filing their briefs for a current mailing list of the parties to this basin-wide issue and must certify that contact.

10/11/94 9 a.m. Hearing on Basin-Wide Issue No. 3 will be held at the Snake River Basin Adjudication Courthouse, 253 Third Avenue North, Twin Falls, Idaho.

All dates are final and may only be continued on motion, hearing and order of this Court.

Subject: 36-02526

Good morning, Glen.

I have been following along with the correspondence between offices on the right. I have looked through the file and offer the following observations. It is my understanding that you are looking for an explanation on why this specific claim has not been partially decreed. I do not know what is driving this inquiry, apart from the protested status of the transfer application that was NAP'ed to the court.

The short answer is that only a limited number of claims were partial decreed in late 1998 and early 1999, and this claim did not chance to be included. The Partial Decree train derailed when the Supreme court remanded the irrigation season and general provision issues back to the district court. Partial decrees previously issued will be reissued at the conclusion of the Supplemental Director's Report process.

A contributing factor to the chance that this claim was not partial decreed may have involved an owner change to IDWR claim records that was made in 1994 pursuant to Chapter 42 statutes. The new owner did not comply with SRBA Court Administrative Order #1 direction to submit SF-3 notification of owner change. This office filed an NCAP in Nov., 1998 giving notice to the court of the owner change as a result of reformatting in preparation for printing partials for the Court to issue. This special handling on both ends (IDWR and Court) may have been sufficient to bump something out of sequence in the overall effort. I briefly spoke with the Deputy Court Clerk and she indicated that most of their efforts are based on numerically sequenced lists and the need to change IWATRS records and docket the NCAP may have affected whether they asked for the printout for 36-02526, but there is no definitive reason.

Hope this helps.

Our wishes to you and your Family for a pleasant and prosperous New Year.

Trish,

Thanks for the information about T5490. I have been trying to find out why a partial decree has not been issued for license 36-02526, similar to other basin 36 rights. I understand that once a transfer application is filed on a pending SRBA claim, a NAP is filed to allow the transfer process to proceed and when finished, the adjudication activity can again continue. Someone likely will have to review the adjudication claim file to determine why a partial decree was not issued.

Glen, I was given a copy of page one of Transfer 5490 when its advertisement was prepared and consequently I prepared and filed with the SRBA court a Notice of Administrative Proceeding on November 19, 1999. The NAP advises the court that some kind of proceeding is in the works and that a right should not be decreed until the proceeding has been completed and a Notice of Completed Administrative Proceeding has been filed. I project completion dates of all transfers to be approximately one year from the date it is advertised. This has been our policy in order to give the allocations bureau sufficient time to complete approval or denial of any transfer. I hope this is the information you were looking to find. If not, please let me know and I can elaborate further.

Hello in Southern. Hope the holidays are going well...

I received a note this morning that Glen inquired about the status of 36-02526. As I look at the IWATRS website, I see that the present status shows that we have issued a notice of administrative proceeding on this one.

Would you please let Glen know about the nature and timing of this NAP?

Thanks, Dave
