_____	)	

IDWR has received an application for an Administrative Proceeding for the above water right(s).

The Administrative Proceeding contemplates a change in the water right(s) as indicated below:

- ☐ Substitution of Party (waiting for documentation)
- ☐ Substitution of Party/Split Water Right
- ☒ Issuance of Water Right License Pending

The original Notice of Administrative Proceeding filed on August 19, 2019, in this matter stated that IDWR projects the Administrative Proceeding would be completed no later than August 12, 2020. Due to unforeseen circumstances and issues arising in the licensing process, IDWR now anticipates the Administrative Proceeding will be completed by September 9, 2021.
