Comment: Claimant would not allow filed exam. Recommend POD as found by WM. Tag # A0014036. Cannot see how there are re-diversion points from the natural stream channel.

2. csaxton 6/1/2006 Diversion Rate
Comment: Quantity recommended brings use of this right and 67-356A up to one inch per acre. (13.1 acres)(0.02 cfs) = 0.262 cfs - 0.103 cfs (67-356A) = 0.16 cfs.

Subject: Change of Ownership request for SRBA claims 67-00356A and 67-04109.

The Problem:

From the deed submitted with the change of ownership, I can confirm a portion of Lot 3, being 3.5 acres as described in Exhibit "A" on the warranty deed submitted, is owned by Jefri and John Balderson. This is also verified using the digital information provided by Adams Co in the form of ArcView Taxlot data. Lot 3 looks good to change.

However, there is no description for Lot 4. No township and range listed. Looking at the claim maps, and the claim itself I can see that the additional acreage claimed is in T16N, R1W, S2, NWNE and is claimed for 11 acres.

Research:

I called the Adams County assessors office at about 10:00 am today. I spoke with Paula Balderson who just happened to be related to Jefri and John Balderson. She confirmed that Jefri and John owned 14 acres:

Lot 3 and 4, Block 7, Council Valley Orchards, Second Addition. The 14 acres (Lot 3 and 4) have been combined into one parcel #: RP00060007003A A

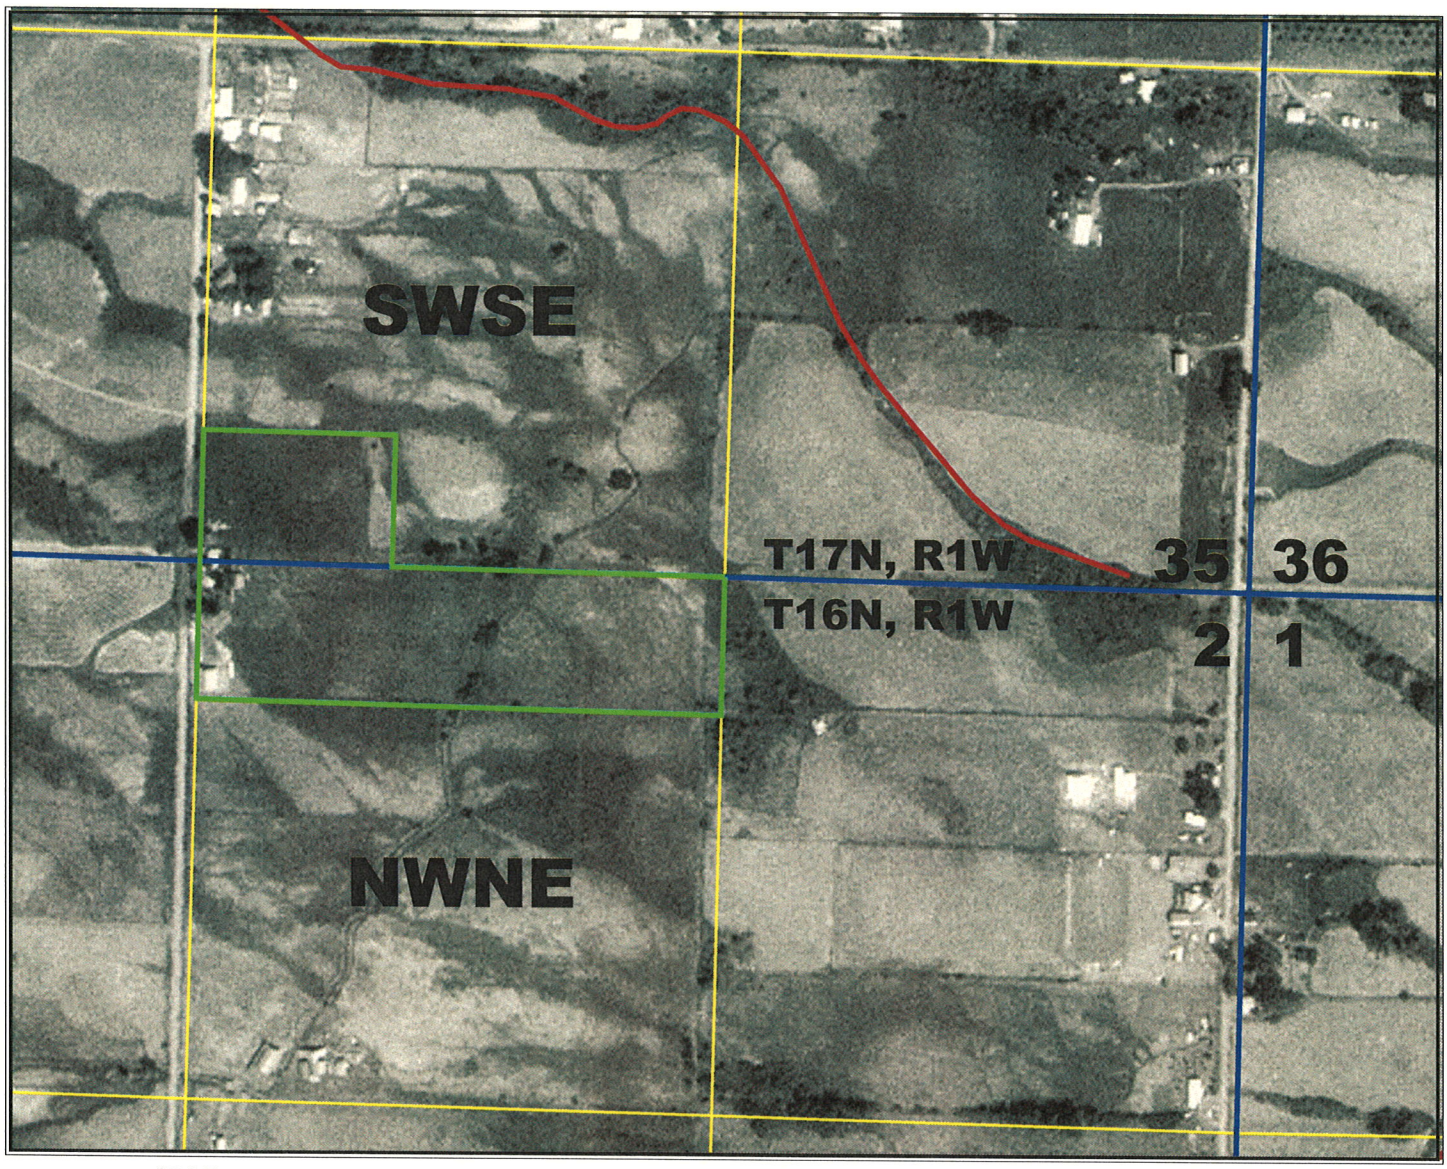

Paula could confirm that this portion of Lot 4 was located in T16N, R1W, S2, but could not confirm a QQ. But according to Paula, the property owned by Jefri and John is one piece and that would fit with the claim.

Conclusion:

I feel confident that Jefri and John Balderson do own the property described by claims 67-00356A and 67-04109. Ok to change ownership on these rights in their entirety.

Dear Sir:

I am sending my $50.00 filing fee for water right #A67-00362. The East Fork Ditch Co. secretary, Janet Meyer, is to be in your office Jan. 2, 1990 to pay for the acrage on this parcel of land.

I have, also, enclosed an amended water right #A67-00356A.

The third enclosure is water right #A67-04109 which needs amended. The point of diversion needs amended to read as follows:

17N 01E 31 SW SW ADAMS

It has the section wrong. It is to read the same as #A67-00356A. We didn't notice the mistake until our neighbor found it when he was down there for his filing.

I realize you all are very busy just now so when you get to this it will be appreciated.

Sincerely,
(Mrs.) Thomas Hill
