RE: Snake River Basin Adjudication (SRBA)
Washington County - #A67-04114B, Receipt #C012776

Dear Maxine:

Your request for a refund of part of your filing fees has been analyzed and reviewed on the above claim. A refund in the amount of \$426.00 has been authorized. The refund process has been initiated with the State Auditor's Office, and you should receive Robertson-Sevy's check in the near future.

The overlap-of-claims review shows the Company claimed fewer acres or more acres in some cases than the shareholder claimed. The following individuals from the shareholder list you provided in early 1991 filed no claims or did not file any claims for irrigation: Helen Glidden, Jim Joslin, Bob George, Chester Herrick and Alan McDowell. These individuals from the same list did not claim the same place of use as the Company: Thelma Friend, John Cunningham and Barbara Little.

A review of the water right claims later for reporting purposes may ultimately resolve some of these disparities. However, for fee overlap purposes, the claims as filed initially determine the basis for a possible refund.

If you have any questions, please contact me or Jan Shurte, the Adjudication Supervisor in the Western Region Office, who analyzed the overlap of claims for your refund request. Thank you for your patience while we worked to your request.

Sincerely,

Donald V. Shaff
Manager, Adjudication Section

Maxine Nichols (253-6896) called 1/15 asking about the status of their request for refund submitted last summer on C012766, *C012776* A67-04114B. Sally and I are not aware the refund request was submitted. I had Jan (out sick all last week) check and she found nothing in the files except a Memo to File from you acknowledging an overlap of acres and \$\$\$. What do you know and is there paperwork I can find to use to call her back or are you a better one to get back to her?

CLAIMANT'S NAME: Robertson Sevey Ditch Co. DATE: 11-9-89

EMPLOYEE: Carter Fritschle

RE: The land list for these claims is based on what was on record for water right 67-04114. Mrs. Nichols stated that the Robertson Sevey Ditch Co. would probably pay the \$1.00 per acre variable fee for all of the lands irrigated with water delivered through the Robertson Sevey Ditch. Therefore, an amended claim with a modified land list will be needed when all of the individual water users have filed their claims. The map attached to each claim is only an approximation of the location of the irrigated lands. A better map should be forthcoming.
