SUBJECT: QUESTIONS ON LETTER FROM SRBA COURT
phone call (.) walk-in (X)

He'd received the order from the court saying that since the roll of the Director and IDWR had changed, claimants had a new opportunity to file an Objection. I explained this to him and suggested we look at his claims to make sure everything seemed right. They checked out okay but he did mention that he had abandoned the Domestic well for 36-10459 about two years ago. Talked with Nick Spencer on this and he said to just note the file about the abandonment and if it comes up again in the future, say after five years, we may decide to do something about it. (I left a message for Gary about this well, in case he needs to check it out.) Told Mr. Evers he didn't need to do anything regarding his new Permit 36-08584, since it was developed in 1991, after the Commencement of the Adjudication...
