SUBJECT: Amended Notice of Claim to a Water Right Number 95-12520, Season of Use

Dear Mr. or Ms. Reynolds:

In regard to our phone conversation of Wednesday, September 16, 2020, where we discussed the procedure to change the season of use on your water right claim; enclosed is the following:

1. Amended Notice of Claim 95-12520

Under item 6 I've amended the claim's season of use to 1/1 to 12/31. Along with changing the season of use, please be advised that I've prepared the amended claim based on our recommendation to the Water Court. This includes a quantity of 0.04 cubic feet per second (approximately 18 gallons per minute) and listed the place of use in the NW1/4NW1/4(4) Section 8, T48N, R4W. (See items 6, 7 and 9) and I've included a map of your property so you can review this information. If there's anything you disagree with, simply cross out the incorrect information and write in the correct information. Initial and date any change you make and sign the claim under item 14.

2. Motion to File Amended Notice of Claim (Standard Form 3)
3. Objection (Standard Form 1)
4. Motion to File Late Objection (Standard Form 7)

These forms are referred to as "standard forms". You'll need to complete these and send copies of the claim, along with the forms, to the parties listed on the forms. The forms are meant to be self-explanatory; however, if you have any questions please feel free to contact me. My email address and phone number are listed below.

Once the Court receives the forms, and permission is granted for the filing of the amended claim and objections, Idaho Department of Water Resources (IDWR) will review the amended claim and you will be contacted within the next several months by either the Court or IDWR.

Sincerely,

Linda A. Werner
