I am Marilyn Bagley, trustee of the property with water right 95-11003. My grandfather John E. Marshall hand dug a well for a cabin in the early 1900's. My father Jack Marshall was born in 1903, and would tell stories of canoeing to the property in the early 1900's and using the well to drink from because there was a mining claim next to the cabin. This property has been in our family for over 100 years. The original cabin was added on to and updated around 1997, and is now the current home on the property. We drilled the new well before we updated the cabin, and filled in the hand dug well.

A handwritten signature in cursive script that reads "Marilyn R. Bagley". The signature is written in dark ink and includes a long horizontal flourish extending to the right.
