Re: Ownership Change for Adjudication Claim No.(s):
Ruthie Goodnight/Darrell James Baker - 36-10905 &
36-02467 & 36-02668

Dear Ms. Garrett:

On April 7, 1993, I sent you a letter of acknowledgment concerning change of ownership on the adjudication Claim(s), I changed the Department's record(s) of the current owner as you requested. On further review, I find that Adjudication No. A36-10905 was filed as an expansion claim on license 36-2467 without the claimant being aware of license 36-02668 which has the same Place of Use as A36-10905. Final line is - instead of 36-10905 - we have 36-02668. Also, I see in the records that Attorney, David W. Haley, of Rupert, was the one that filed the claims for the applicant, I was wondering if he had been contacted concerning this exchange of property?

I apologize for not noting these changes earlier. Please review the record(s) and should you have any questions, feel free to call this office.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Judy Givens'.

Dear Claimant(s):

In the past you submitted the claim(s) identified with the number(s) shown above your name and address at the top of this letter. You indicated on the claim(s) that the basis for establishing the water right(s) was Beneficial Use, meaning the water right was not previously confirmed by a decree, water right license or permit before you filed the claim(s).

The purpose of this letter is to request evidence supporting the priority date(s) you have claimed. The enclosed pamphlet describes what this means. While I encourage you to read all of the pamphlet, I direct your attention to the right-hand half of the pamphlet after you open it. There you will find two sections: What Kind of Evidence is Required, and Some Examples of Documents which May Be Evidence of the Priority Date. These sections tell you what must be submitted. The other sections tell you why the evidence is necessary and what the consequences of not submitting the evidence could be.

Please submit the requested evidence by November 1, 1990. When returning to the Department please reference all documents with the claim(s) identification number(s) listed above.

If you have questions not addressed by the pamphlet or need other technical assistance, please feel free to contact this office. For advice on your water right(s), please contact your attorney.

Sincerely,

Allen Merritt, P.E.

Allen -

On Friday 4/19, I had a call from

Dave Haley, an attorney Re Priority Letter on
A 36-10905.

It appears that A36-10905 was filed as
an expansion claim on Lic 36-2467 without
the claimant being aware of Lic 36-2668 which
has the same P/S as A36-10905.

I told him to simply point out the existing
License in his response so we could cross-ref it.
& that should take care of him.

RE: Evidence of priority - Snake River Basin Adjudication
Claim No. A36-10905

Dear Mr. Holmes:

Pursuant to our telephone conversation of this date regarding my client Ruthie Goodnight, and her Claim number referenced above in the Snake River Basin Adjudication, I have enclosed a photocopy of the State of Idaho, Department of Water Resources Water Right License No. 33328/36-2668. I am supplying this to you in response to your office's letter of April 8, 1991, requesting additional verification of the claimed priority date in Claim No. A36-10905.

As I indicated to you, at the time the Notice of Claim to a Water Right was submitted it failed to properly make reference to the fact that the water right was being claimed pursuant to an existing license. It is our position that Claim No. A36-10905 and the enclosed Water Right License and the water rights attendant thereto are one in the same. Therefore, there would be no reason to submit additional evidence of the claimed water right and priority date.

It is my understanding you intend to conduct an investigation into this matter and you will then let me know concerning whether or not additional documentation needs to be submitted to you or whether an Amended Notice of Claim needs to be filed.

Thank you for your anticipated attention. I trust I will be hearing from you once you have made a determination concerning the manner in which Mrs. Goodnight needs to proceed.

Yours very truly,

David W. Haley

Claim #A36-10905

Dear Claimant(s):

Our records indicate that your claim(s) listed above, is based upon either a "Statutory Claim" or "Beneficial Use" of the water. For water rights of this type, the claimed "Priority Date" must be substantiated with supporting evidence. Before the Department can make a recommendation to the Court to decree the claim(s), some evidence of the priority date must be submitted. Again we are enclosing a brochure outlining the types of evidence you may submit, and a printout of your claim(s) for reference. We request that you submit your evidence of priority as soon as possible. **If we do not receive the requested documentation, your claim(s) will be recommended for disallowal due to lack of evidence supporting any priority date.**

Please submit the required evidence supporting the priority date(s) by April 23, 1991. Please reference the claim number on your correspondence. If you have questions or need other assistance please contact this office.

Sincerely,
