RE: Field Examination of a Water Right Claimed in the Snake
River Basin Adjudication (SRBA) - A36-02685#

Dear Claimant:

The field staff of this agency plans to conduct water right field examinations in your area during April and May this year. These field examinations are necessary to verify your water use. The identification number of your water right claim which must be examined is shown above. If more than one of your water right claims is to be field examined, the additional claim identification numbers are listed below.

We will attempt to contact you by telephone to schedule a time to field examine your water right claim(s). At the time of the examination, we would appreciate the assistance of you or someone who is familiar with your water system.

If you have any questions regarding the field examination, please telephone me at our Boise office. You can reach me at 1-800-451-4129 or 327-7934.

Sincerely,

A handwritten signature in cursive script that reads 'Shelley Walter Keen'.
