Dear Mr. Southfield,

I recently spoke with Bob Byce of Farm Credit Services, Twin Falls Branch, about the water rights and adjudication status of these rights. We determined that the land has an irrigation license appurtenant to it, # 36-02698 (copy enclosed). He also indicated that there is now only 18 acres irrigated & that the rest has been turned into feedlot corrals.

Farm Credit Services is anxious that you file an adjudication claim on this water right or risk losing the right to divert water as a result of the Snake River Basin Adjudication. Please complete the enclosed form to reflect the current uses and amount of water pumped.

Also enclosed are instructions for filing a claim. Because the ~~filing~~ deadline for Gooding County has passed, there is a \$50 late fee assessed to the regular filing fee explained in the instructions.

Please complete the form and return it at your earliest convenience. If you have any questions please call or come to our office.

Sincerely, Douglas Jones
