1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

Quantity .02 CFS 538 GPH

3. Give a brief explanation as to why you disagree with these portions:

.02 CFS is only 538.6 GPH, with that amount of water even low water use crops will be hard to grow
Even at .04 CFS, crops like Alfalfa would be a challenge

☐ I AGREE with this proposed recommendation: no changes need to be made.

Monica:

The Hueys did some good work digging up EOP. The 1915 tax assessment is golden. It supports irrigation on this property in 1915, but the claimed priority date is 1934. I'm including an amended claim that claims 1915. We'll have to knock them back to a day after Muir v Allison, but 1921 is better than 1934 any day.

Dear Mr. Saxton,

After receiving your letter, my wife and I were put to work trying to dig up evidence of the historic use of the water on our property. Here is a summary of what we found.

In 1883 M.D. Chaffee and Michael Ward each filed for 1 share of water through the Indian Valley and Gray's Creek ditch Company with the State.

In 1886 M. D. Chaffee sold his 1 share of the Grays Creek Ditch Company to James I. Linder. (Who later owned our land)

In 1903 Michael Ward sold 1/24th Interest of his 1 share of the Grays Creek Ditch Company to an Arthur M. Steward who also owned this land by 1908.

In 1908 Arthur M. Steward sold this land to Alva J. Steward.

In 1910 Alva J. Steward sold the land to James I. Linder with 1/2 share of water rights for Grays Creek Ditch Company.

In 1915 the Assessment roll lists J.I. Linder as owner of this property.

In 1919 the Water rights district shows that J.I. Linder had Grays Creek water rights.

In 1922 James I. Linder sold the land to Pertle F. Linder with "all shares in the Grays Creek Ditch company".

1934 Priority Date - date given for #67-4278A

1936 - C. Ben Ross Reservoir was built.

1943 - Pertle F. Linder sold the land to Oliver Linder,

In 1950 Oliver Linder sold the land to Susie and Joseph Joanis.

In 1951 Susie and Joseph Joanis sold the land with "all water rights" to Stanley and Edith Rinehard.

SCANNED

SEP 22 2005

In 1976 Stanley and Edith had the new well drilled and used it for Domestic and Livestock. I have witnessed drawings of how the land was leveled many years before this to help the ditch water in irrigation.

In 1988 Edith Rinehard sold to us (Mike and Barbara Huey) the land with "all water and water rights".

On December 8, 1989, I filed a claim for the General Adjudication of rights to the use of water from the Snake River Basin water system from the Little Weiser River as well as for stockwater and domestic use of well. I paid \$114.00 for this privilege.

This has been an interesting assignment and with the enclosed documents we hope the evidence will be sufficient to keep or exceed the priority date listed. We look forward to hearing back from you concerning this matter.

Sincerely,

Michael H. Huey
Barbara J. Huey
