CONVERSATIONAL MEMORANDUM

Date: September 26, 2005

To: File 67-4292

From: Craig L. Saxton

Subject: Phone Call - Evidence of Priority

Spoke with Robert Stinnett
 1024 Hwy 95
 Indian Valley 83632

He bought the property applicable to this water right in 1991. His dad had previously purchased the property in the 1980's. His mailbox fell down so he didn't get the mail till today. I told him not to worry about the EOP deadline.

After discussing what would work for evidence of priority, it sounds like he is going to get a statement from one of the Gossards that know the history of the place.

In the late 80's – early 90's, Robert built a pond on top of the spring. Now water seeps out of the pond and sub irrigates 2 acres of ground. But before he built the pond, there was a headgate around the spring and lots of old pipe that he suspects was used to irrigate the fields. I told him that he would probably need a permit on the ponds but he didn't think so as they were about 150' by 50' with 10-12 feet at the deepest. I didn't pursue this as they were built late enough that he needs to file a permit on them if they require one anyway.

In researching his other rights, I found a total of 5 records that are in Robert's fathers name and need a change of ownership if Robert now owns that ground.

67-4292	Claim	No fee
67-7874	License	\$25
67-10188	Decree	\$25
67-10189	Decree	\$25
67-10190	Decree	\$25

I sent Robert a letter along with a change of ownership and copies of the above listed rights. I told him to submit the c/o with deeds, fees, and EOP.

RE: Change of ownership for Snake River Basin Adjudication (SRBA) claim 67-4292 and water rights 67-7874, 67-10188, 67-10189, and 67-10190.

Dear Mr. Stinnett,

Per our conversation on the phone, I am enclosing a Notice of Change of Water Right ownership form and copies of the water rights I found on record with IDWR.

The following matrix lists the water rights found, status and fee to change ownership if any:

67-4292	Claim	No fee
67-7874	License	\$25
67-10188	Decree	\$25
67-10189	Decree	\$25
67-10190	Decree	\$25

67-4292 is still being reviewed by for recommendation in the SRBA. There fore there are no fees for changing ownership on this claim.

67-7874 is a license established prior to the commencement of the SRBA and thus did not require to be filed on in the SRBA. However, as it is a "perfected" water right, there is a \$25 filing fee to change ownership.

67-10188, 67-10189, and 67-10190 were filed on in the SRBA, but have been finalized and partially decreed by the SRBA court. There is a \$25 filing fee per water right to change ownership.

Please return the completed change of ownership form along with the appropriate filing fee (\$100 if all the rights should be in your name), a deed showing you own the property the water rights are applicable to, and the evidence of priority information we spoke about on the phone.

Please feel free to contact me with any questions.

Respectfully submitted,
