RESPONSE DEADLINE
July 5, 2006

RE: Contact information for Snake River Basin Adjudication (SRBA) claim 67-4333

Dear Claimants:

I have been trying to contact you to schedule a field exam on the above-mentioned claim. The current phone number I have for both of you is (208) 257-3763 and an address of 2787 Salubria Rd, Cambridge. I left a message for you to call me with someone who answered that number on Monday, June 5, around 10:00 am. Certain elements of the claim must be verified through a field exam. Please note: If no field exam is conducted on this claim, it will be recommended as disallowed to the SRBA court.

Please contact me at (208) 287-4907, or our other field examiner Misty Mount at (208) 287-4940 to schedule a field exam. If you no longer own the property, please contact Misty or me with the new owner's information, or forward this letter to the new owner.

Additionally, the claim indicates your water usage is based on a "Statutory Claim." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed. **Proof must be provided by the claimant supporting the priority date claimed and the historic use of the water.**

PLEASE NOTE: If no evidence is submitted, IDWR will recommend the SRBA Court decree the claim be disallowed. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit.

Please submit the required evidence supporting the priority date and the historic use by the date shown above, referencing all documents with the corresponding claim number. Send the documents in the enclosed envelope to assure it arrives at the correct location.

Respectfully submitted,

Monica LB
