SUBJECT: Palouse River Basin Adjudication (PRBA) Claim Nos. 87-11649 et al

RESPONSE DEADLINE
DATE: NOVEMBER 7, 2020

Dear Mr. Loomis,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim numbers 87-11649, 87-11651 and 87-11653. After reviewing your claims, I want to make sure that I am accurate in my recommendations. I tried calling, but was unable to reach you or leave a voicemail.

On the three maps provided, please mark an X on the approximate well locations and circle the home they provide for each claim. In the top right corner of the maps, I wrote the priority date of each well/home claimed in order to keep it organized. Mark each map according to the date in the top right corner of the map. Each map should only have one X.

After you have completed the maps, please mail them back to my attention at 7600 N. Mineral Dr, Suite 100, Coeur d'Alene, ID 83815. If you have any questions or would like to contact me, my telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov. If I do not hear from you or receive the maps by the deadline, your water right claims may be inaccurate and/or disallowed.

Sincerely,

Christopher Holmes
Water Resource Agent
