Dear Mr. Linskey,

In regards to our phone conversation on 10/02/2020, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #6, Purpose: Changed it from Irrigation to Domestic.
- #9, Place of Use: Changed the use from Irrigation to Domestic.

Below are further instructions required from you:

- **#1, Blue Tab, Claimants:** In pen, cross out one of the "ERIN LINSKEY" names and replace it with the new name. Then, both you and the new claimant initial next to the new name.
- **#14, Signature:** Both you and the new claimant sign and date the document.

By amending your claim, you are more accurately reflecting the type of usage occurring on the property. If you do not complete the amended claim form, your claim will be recommended as disallowed.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.
