

AMENDED DIRECTOR'S REPORT

Subcase Nos. 95-16393

In Re CSRBA

Twin Falls County Civil Case No. 49576

Report to the CSRBA District Court

Prepared by the Idaho Department of Water Resources
Gary Spackman, Director
Craig L. Saxton, Manager, Adjudication Section

October 7, 2020

DESCRIPTIVE SUMMARY

This is an Amended Director's Report submitted by the Director of the Idaho Department of Water Resources (IDWR).

DISCUSSION

On February 26, 2019, IDWR filed a Director's Report for Camp Fire USA Inland Northwest Council's Water Right No. 95-16393 for domestic and irrigation purposes.

On September 22, 2020, Special Master Booth reviewed water right 95-16393 for issuance of partial decree. In his review, he found an error in the daily diversion volume limiting condition under the "QUANTITY:" section as well as a condition under the "OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:" section. Both conditions are applicable only to the domestic portion of the right. The Amended Director's Report corrects both conditions by adding a reference to the domestic use.

The Director submits for filing with the Court an Amended Director's Report for the aforementioned subcase (see attached recommendation).

CRAIG L. SAXTON
Manager, Adjudication Section
