Subject: Water Right Claim

To: Alan Weis

Dear Mr. Weis,

This email is to advise you that we have completed the review of the Notice of Claim to a Water Right that you filed in the Palouse River Basin Adjudication. This is for the well water usage for domestic and the pond/creek usage for wildlife.

Please be advised that we were able to recommend the claim only for domestic usage from the well. This is because there can be only one source of water per claim; consequently, we went with the well water usage - as this is the source you claimed.

If you would like to claim a water usage for the pond wildlife usage, we will need a second claim. I can be reached at the phone number listed below, or this email address, if you have questions on how to file a second claim.

Sincerely,

Linda A. Werner
