RE: Request to change Priority Date
Claim number 87-11769

Dear Mr. Rowley:

Thank you for returning my phone call requesting information on your well. From our conversation, I have placed your well in the southwest corner of 1647 Daves Ave, approximately 8 feet from your neighbor's fence and 15 feet from the street. Identifying the correct location is preferred, just in case there are ever any questions.

During our conversation, we discussed the 2/1/2001 priority date you requested on your claim. Tax records for Latah County indicate the house was built in 1964, allowing you to request a 12/31/1964 priority date. I have included the form with the new *Date of Priority* highlighted in yellow. Please review the form and if you approve, sign and return it in the self-addressed stamped envelope. Once received, I can complete the recommendation with the earlier date.

Sincerely,

A handwritten signature in blue ink that reads "Glen Gardiner". The signature is written in a cursive style with a large, stylized 'G' and 'D'.
