RE: Snake River Basin Adjudication (SRBA) claim 67-04472

The Idaho Department of Water Resources (IDWR) is currently in the process of reviewing SRBA claims in Basin 67. A field exam needs to be conducted to verify the elements of your claim in order to make a recommendation to the SRBA court.

I have attempted to contact you by phone without success. I realize your mailing address is in California, so I was hoping if you were not available to meet with, you could tell me who to contact so they could show us the irrigation system and help us verify the elements of the water right claimed.

In order for IDWR to make a positive recommendation to the SRBA court, a field exam needs to be conducted.

Please contact me as soon as possible so we can discuss the logistics of conducting a field exam.

Respectfully submitted,

Craig L. Saxton
Sr. Water Resource Agent
