Date: September 6, 2005

To: File 67-4532

From: Craig L. Saxton

Subject: Evidence of Priority

Claimant Pauline (hm: 257-3452 or wk: 257-3314) called and said that she just signed the papers to sell the property. However, she will write an affidavit as she has owned the property since 1963. She is also sending in a copy of her filing on the water right in 1963.

All that being said, she also has 15 shares of lost valley reservoir water so she doesn't need evidence of priority anyway.
