

Conversation Memorandum

Date: January 2, 2007

To: File 67-4279, 67-4288, and 67-4551

From: Craig L. Saxton

Subject: Recommendations for 67-4279, 67-4288, and 67-4551

Robin Stephens (Indian Valley) called regarding the above mentioned water rights. We discussed each recommendation individually but all of them need a change of ownership removing William S. Johnson as a current owner and the address under Robin's name needs changed. She is gathering up the information and will be sending it in.

67-4279:

This recommendation was recommended as disallowed as no evidence of priority was submitted. It is unclear if the delivery system is different than that of the Little Weiser Irrigation district. I assume it is or this right would have been recommended with the priority date of one day after the field exam for the Little Weiser Irrigation District was conducted. That date should be 5-4-1940.

Ms. Stephens is going to speak to her cousin (Yantis) and find out the history of the ditch and decide if she wants to file an objection or not.

Note: We did discuss that EOP needs to be before 1971 due to the mandatory permit statute.

67-4288:

Ms Stephens agreed with the recommendation.

67-4551:

Ms. Stephens agreed with the recommendation.
