Dear Mr. Smith,

IDWR received the request to change ownership on the above rights in located in Basin 67. I am reviewing SRBA claims in Basin 67 so I reviewed the request for change of ownership on those rights.

The deeds submitted allowed me to change ownership on SRBA claims:

67-4570
67-4571
67-4574

Copies are enclosed.

The following SRBA claims, claimed a place of use that included land that was not covered under the deed packet you sent with the change of ownership. In general, the land I am talking about is Forest Service ground.

67-4572
67-4573
67-4576
67-4577

If this is an error in filing, we can amend the claims to include only property owned by your client, Western Pacific Timber LLC.

For your convenience, I have enclosed amended claims I prepared for the above referenced water right numbers. All I have done to the claims is removed the claimed place of use that does not appear to be owned by Western Pacific LLC.

If your client wishes to file the amended claims, please review them thoroughly and initial any changes you wish to make. When satisfied, have your client sign them in front of a notary and return them to this office to my attention ASAP.

Please feel free to contact me with any questions.

Respectfully submitted,
