Craig,

The Ward ditch can carry at least 60-75".
The High ditch can carry at least 125-150".
The Ford-Farrens ditch can carry at least 125-150".

Sorry this took so long, but I wanted to talk to the deputy up there to be sure of weir sizes.

Also, can you send me more address and ownership change forms? I am about out.

Have fun, Bosco

Subject: Diversion From Rush Creek

Hey Bosco,

I have a favor to ask you.

I am working on some rush Creek claims. They were originally filed by Hubert Ward. There are three diversion points referenced in his claims and you have GPS'd them all. I need to know if they can divert the following amounts of water:

A0014027; Ward Ditch POD; T16N, R3W, S28, SESE
A0014026; High Ditch POD; T16N, R3W, S27, SWSW

41 inches between the two POD's listed above.

A0014025; Ford Farrens POD; T16N, R3W, S34, NESW
A0014026; High Ditch POD; T16N, R3W, S27, SWSW

70 inches between the two POD's listed above.

What would be best is if you could tell me the capacity of the three POD's. Whatever works.

If you don't have that information, no worries, we can measure it.

Thanks,

Craig

AFFIDAVIT

I, Hubert V. Ward, hereby swear and certify as to the following information in regards to Water Rights Nos. 67-4585 and 67-4586:

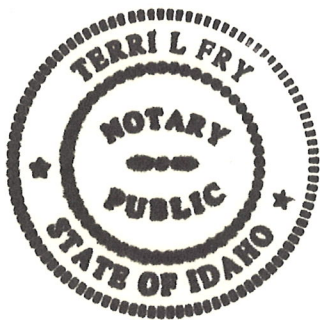

My parents purchased the real property upon which the above referenced flood water is used in 1947 and I am now owner of said property. We have utilized that water since 1947 for irrigation and continue to do so today.

CONVERSATIONAL MEMORANDUM

Date: September 13, 2005

To: File 67-4585, 67-4586

From: Craig L. Saxton

Subject: Evidence of priority

The son of the claimants for the above water rights dropped in to discuss the evidence of priority letter they were sent. We determined that 67-4585 was not a direct overlap with decreed rights 67-294 and 67-295 so they need to submit evidence of priority. He thinks he can find someone that will get them back to the 1940's. He is going to send in an affidavit.

After they left I found that they also got notice for 67-4586 which we didn't discuss because I didn't know about it at the time. Hopefully now that they know about 67-4585 they can find evidence for 67-4586 as well.
