Hey Bosco,

I did some research on 67-4131 and put together a ownership vs acreage breakdown for 67-4131. I hope that helps you with your analysis. Nothing appears to be owned by the state of Idaho, so I think we will probably disallow that as a competing claim, but maybe Larry can give you some insight. I hope this file is small enough that you don't have problems.

Now regarding that claim I spoke about where Melanie couldn't get a hold of the claimant. That is 67-4088 and is in the name of Tamarack Mills LLC, DBA Evergreen Forests. I don't know if it is related in anyway, but I am going to set the file aside for you anyway since it sounds like you know the people there.

Lastly, I also found 67-7274 in the same name as Tamarack Mills LLC, DBA Evergreen Forests. This is from a well and is licensed so I don't think you need to do a filed exam on it. I will keep it for know, but know it is out there incase they ask you about it.

Later,
