Re: Change of Ownership for 67-07287

A request for a change of ownership was received on June 30, 2005 from Hanzon to Nash.

- 1) Hanzon is not the current claimant listed on the claim. Barrett/Schmoeger is listed as current owners. However, there is a letter in the file dated 4-16-05 from Barrett/Schmoeger saying that they sold the property to Hanzen. It appears that now Hanzen has sold to Nash, but Hanzen never filed a change of ownership when they bought the property.
- 2) Property bought by Hanson is located in SWSW and SESW of Section 1, T17N, R1E, but mainly in the SWSW. The license puts the POD and POU in the SESW. I feel we can change ownership on the right because Nash does own property in the SESW. But the reality of it is that I think it was licensed wrong. The aerial photography seems to show the house in the SWSW and that is where the majority of the property is. The recommendation will list the POU in the SWSW and note that it was licensed incorrectly because the well log put the legal in the SESW.

Tax lot data confirms deed and everything looks good. I just think there was simply an error in licensing as the property is very close to the boundary between SWSW and SESW.

Comment: This claim will be recommended as licensed, except for the point of diversion and place of use. Per new mapping technologies, we are able to better locate the point of diversion in the SWSW S1 and the place of use in the SWSW and SESW of S1. These changes are simple clarifications of the existing records. The claim did include the volume limitation of 1.2 afa that was licensed, but it will be recommended this amount. Other than the above issues, the claim reflected the license

Dear Claimant(s):

We have processed your Notice(s) of Claim to a Water Right filed in the Snake River Basin Adjudication.

In the initial review of this claim(s) we found it necessary to either complete or change an item or items on your claim form(s). A copy of the computer generated copy with these changes and the receipt for the filing fee previously submitted are enclosed. **ONLY THE ITEM(S) SHOWN BELOW WITH A CHECKMARK HAVE BEEN EITHER CHANGED OR ADDED TO YOUR CLAIM(S). IF AN ITEM IS NOT CHECKMARKED, IT IS NOT PERTINENT TO THIS CLAIM(S).**

- _____ Item #2 - Only a portion of your priority date was listed. This item requires a month, day and year. We have added in the required information based on the Department's rules for dates of priority.
- _____ Item #4 - The point of diversion appears to be incorrectly described or not described at all. Based on other information provided which included your legal description, we have added in the quarter-quarter, section, township and range. If you had listed the Lot, Block and Subdivision name, enclosed is a copy of the subdivision map from which we computed the quarter-quarter legal description.
- _____ Item #5 - No description of diverting works was listed. Because the source was described as a groundwater source, we have completed this item with well, pump and pipeline. If your groundwater source is not a well, please notify us.
- _____ Item #6 - The period of use is not listed for the use(s) claimed. The Department has recommended periods of use for certain uses. The recommended period of use has been added to your claim.

✓ Items 6 & 7 - Quantity claimed has been modified to correspond to the basis of claim. Please contact this
