27 ACRES TOTAL

OTHER PROVISIONS NECESSARY FOR DEFINITION OR ADMINISTRATION OF THIS WATER RIGHT:

This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Section 42-1412(6), Idaho Code.

Ownership changed by DB 3/13/2002

EXPLANATORY MATERIAL: BASIS OF CLAIM - License

State

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within

Water District No. 67-A.

2. No water shall be diverted under this right after June 15 of each year without prior approval of the watermaster.

3. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion.

4. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 4.0 afa per acre at the field headgate for irrigation of the lands above.

5. Right 67-7694 is also diverted through the point of diversion described above.

CONVERSATIONAL MEMORANDUM

Date: September 15, 2005

To: File 67-488, and 67-7508

From: Craig L. Saxton

Subject: Evidence of priority

Received a call from David McKee. He is sending in a change of ownership form for his water rights and the amendment form that allocations sent him. I told him if he had a question about the amendment form, he would need to call allocations and the person that sent him the letter.

Change of Address

Dear Water Right Holders:

IDWR has been notified the address presently in our records is incorrect. Although we have reached you at the address above, we need your written confirmation this is your correct mailing address before we can change our records. Future notices related to your water right can be sent only to the address on your water right or as otherwise changed by you.

Please sign your name at the bottom of this letter and return it to this office. Make corrections to your name and address if necessary and list any other water rights you may have before returning this letter by May 17, 1999. Thank you for your help.

If your mail delivery address changes in any form, please contact us in writing so we can update our records.

If there has been a change in ownership of the property connected with the water right referenced above, please write down the name and address of the new owner(s) so we can send them a form to make this required change to the water right record.

Sincerely,

Sally

Re: Notice of Claim to a Water Right No. 67-488A & 67-7508

Dear Claimant(s):

Enclosed is a copy of the above referenced claim, which reflects the change in ownership of the land and appurtenant water rights covered under the original filing.

The Department will contact you in the future concerning any requirements that may be needed in order to process this claim for final court decree.

Thank you for your patience and cooperation, as we have had several water right changes to process. If you have any questions concerning the enclosed claim, please feel free to contact this office.

Sincerely,

Denise Buffington
Office Specialist 1

RE: Snake River Basin Adjudication (SRBA)
Water Rights #67-488, 67-7508 and 67-10058

Dear Water Right Holders:

Mail sent to you by the SRBA Court was returned to the SRBA Court by the Postal Service. The Postal Service advised us your address has changed to the above address. We have enclosed the returned mail.

Although we have reached you at the address above, we need your written confirmation this is your correct mailing address before we can change our records.

Please sign your name at the bottom of this letter and return it to this office. Make corrections to your name and address if necessary before returning this letter, **list any other water rights you have**, and return this letter by November 5, 2001. Thank you for your help.

If your mail delivery address changes in any form, please contact us in writing so we can update our records. Be sure to list your water right numbers.

If there has been a change in ownership of the property connected with the water rights referenced above, please call this office toll-free at 1/800-451-4129 to obtain a form to make this required change to the water right records.

Sincerely,

Sally

Change of Address

Dear Water Right Holders:

IDWR has been notified the address presently in our records is incorrect. Although we have reached you at the address above, we need your written confirmation this is your correct mailing address before we can change our records. Future notices related to your water right can be sent only to the address on your water right or as otherwise changed by you.

Please sign your name at the bottom of this letter and return it to this office. Make corrections to your name and address if necessary and list any other water rights you may have before returning this letter by May 17, 1999. Thank you for your help.

If your mail delivery address changes in any form, please contact us in writing so we can update our records.

If there has been a change in ownership of the property connected with the water right referenced above, please write down the name and address of the new owner(s) so we can send them a form to make this required change to the water right record.

Sincerely,

Sally

ADJUDICATION MEMORANDUM

POOR ORIGINAL

CLAIM NO.: A67-07508SUBJECT: Permit / Claim discrepancyEMPLOYEE: T777INICUCC1DATE: 08/08/1995

Mr. Howland came into the office today concerned that application for permit 67-07508 is for .54 CFS & SRBA claim A67-07508 is for only .27 CFS. After locating the water right file it was discovered that his diversion pump was measured @ .27 CFS (in 1988). Since the SRBA claim will probably be recommended based on that field exam, the claim was filed for only .27 CFS.

There were some questions in the water right file about the location of the measurement. File referred to allocations staff for possible remeasurement. If remeasure finds increased div. rate, Mr. Howland can amend his SRBA claim; ~~the~~ if an increased rate is found then the first measurement may not have been accurate (if pump, etc has not changed). Mr. Howland said he's been irrigating his 27 acres for sprinkler irrigation and doesn't ~~need~~ anticipate increasing his diversion rate, as this will require a new water right.
