RE: Snake River Basin Adjudication (SRBA)
Water Rights #67-7523B and 67-7523C

Dear Mr. Seid:

Washington County tax lot information shows you may be the current owner of the property and water rights referenced above. I have enclosed a copy of the decrees for your information. Before we can modify our records to reflect your ownership of these water rights, we require the enclosed Notice of Change of Water Right Ownership form be submitted. I have enclosed that form for your use.

Please remember to enclose your Warranty Deed with the legal description of your property attached (usually Exhibit A).

There is a \$25 fee to change each Decree. Please send the completed ownership change with \$50 to my attention at this office. I have enclosed a postage-paid, addressed envelope for your convenience.

Please call me toll-free at 1-800/451-4129 if you have any questions.

Sincerely,

Sally Sherman

Subject: Seid, Kenneth B67 preliminary Recommendations

Good Morning Dave,

I am sending you the preliminary recommendations for Kenneth Seid a little ahead of time so you can review them. The preliminary mailing is actually going out on November 20th, but these recommendation are probably not what your claimant expected so I want you to have some time to look at them.

The main issue I can see is that as far as I can tell, Mr. Seid has enlarged his water use well over his decreed rights. I recommended as much acreage as I could base on the decreed rights. 67-14403 claims flood water on top of the decreed rights. I do not have any documentation supporting when the acres up an above those decreed were added so I recommended 67-14403 directly on top of the decreed acres for the standard 3/8 inches per acre that bring use of the flood water and the decreed water up to one inch per acre.

You will see that the shape on the layouts is larger than the 511.6 acres recommended. The shape is 667.3 acres. In order to recommend the additional acres under right 67-14403, I need some sort of evidence of when that additional ground first started being irrigated.

Anyway, you know how it goes. Take a look at the recommendations and let me know what you think. I can tell you that I am most likely not going to make changes before the preliminary mailing goes out, but hopefully, if Mr. Seid feels changes need to be made, we can get the information into me and change them before the directors report goes out so you don't have to file an objection.

67-7253B & C appear to be Mr. Seids water rights. We need a change of ownership for those.

Lastly, water master records show that 67-507, 67-509, 67-510, and 67-511 are delivered to Kennith Seid but are not claimed in the SRBA. I didn't know if there was a reason for that so I thought I would bring it to your attention.

Thanks,

Craig L. Saxton

RE: Snake River Basin Adjudication (SRBA)
Notice of Claim #A67-07523B & A67-07523C

Dear Mrs. Corbett:

Thank you for responding so quickly to our address change letter of May 7, 1996. You noted on the returned letter, 'William G. Corbett is deceased' and below that, 'send to Kenneth Seid'. This raises the following questions: Has the property been sold to Mr. Seid, and is his address that of the property in Midvale?

Assuming the property has been sold, I have enclosed for your use an ownership change form. If Kenneth Seid is the new owner, please send it to him after you have completed and signed the form. Mr. Seid would then send it to us after he signs it.

Our records have been changed to reflect your new address, but we will change them again if we receive a completed ownership change form to reflect a new owner's name and address. At that point, the new owner will receive a copy of the Notices of Claim referenced above for his records.

Please call me toll free at 1/800-451-4129 if you have any questions or concerns. Thank you again for your cooperation.

Sincerely,

Sally Sherman
