RE: Corrected Licensing Amendment for Right 67-7524

Dear Mr. and Mrs. Grossen:

Pursuant to our telephone conversation this morning, enclosed you will find a corrected licensing amendment for the above referenced permit. The changes to this amendment are to correct the point of diversion of Steward Ditch. I understand that you have signed and submitted the licensing amendment sent to you on March 2, 2006. We will use the filing fee you submitted with the original amendment so you do not need to pay any additional filing fee.

I am also enclosing a "Notice of Change in Water Right Ownership" form that you should submit to change the ownership of Rt. 67-7525 to your name. If you will recall, that right is in the name of Irene Grossen and you stated that you now own the 60 acres that were permitted. The change of ownership form should be submitted to Misty Mount of the Snake River Basin Adjudication (SRBA) staff so that she can update the ownership on the claim submitted by your mother. There is no fee for this ownership change form as long as it is submitted prior to this right being decreed.

If you have any questions in regard to the above, please do not hesitate to contact me at (208) 287-4953.

Sincerely,

KAY WALKER
Sr. Water Resource Agent
