RE: Notices of Claim to a Water Right in the Snake River Basin
Adjudication (SRBA) for water rights in Adams County.

Dear Mr. and Mrs. Eastlick:

Thank you for responding to the Commencement Notices sent to you as water users in the Snake River Basin Water System. Our records of water rights in the basin are not complete; however, I was able to locate a permit (#67-07588) to divert water from a spring in your names. This permit should be claimed in the SRBA. I have enclosed a copy of Permit No. 67-07588 and a computer-generated Notice of Claim to a Water Right based on the information we have on record for this water right. Please review the claim for accuracy. If the claim is satisfactory, please sign the form, having your signature notarized, and return it to this office with the \$51.00 filing fee.

Also enclosed is a blank claim form with instructions. This form can be used if you wish to claim the water right in a manner that is different than what appears on the computer-generated form.

The water represented by the five (5) shares of East Fork Ditch Company, Limited stock will most likely be claimed by the ditch company. However, you should check with the ditch company to be sure your lands will be included with their claims.

If you have a domestic well, or a water use other than the spring and the ditch water, you may wish to claim it also. The necessary forms and instructions to file by mail are enclosed. The fees for each claim can be calculated from the instruction booklets.
