RE: Notice of Claim to a Water Right A67-07603
Washington County

Dear Mr. Laird:

We have accepted your Notice of Claim to a Water Right based on Water Right 67-07603. However, our records show that the original license was issued for irrigation use only. The Department will be recommending to the Court the right as it was licensed.

Therefore, if you wish to have the domestic portion of the water use filed in the Snake River Basin Adjudication (SRBA), you will need to file a separate claim. I have enclosed a Notice of Claim form for your possible use in this matter.

Small domestic and stockwater uses are optional filings in the SRBA. If you choose not to file a claim for the domestic portion of the water use, the water right will not be lost, nor will the priority date be lost. Enclosed is a booklet describing the option available to you.

If you choose to file a claim for the domestic use, you may submit it by July 20, 1990, without penalty. If you have any questions or need assistance, please do not hesitate to contact this office

Sincerely,

John D. Carlson
Adjudication Supervisor
