Dear Mrs. Paradis:

This letter is in reply to your inquiry of April 14, 1988. I believe I can help you with part of your problem, and I have referred part of your problem to another office.

First of all, you do not have to file a notice of claim on your spring in Adams County at the present time. We are currently taking claims in part of Adams County, but the Weiser River basin has been excluded because there is an appeal before the court in relation to water rights in that river basin. It is possible that you will have to file at a later time when the appeal is resolved. If that becomes necessary, you will receive a Notice of Commencement in the mail notifying you of that fact and the filing dates.

In answer to your question about your neighbor, his backhoe and your spring, I have referred your letter to our Western Region office. That office is responsible for handling this type of problem. They should be contacting you shortly about that matter.

In reference to your question about your domestic well, we can find no record of any water right you apparently have to a well on your property. A copy of the Well Driller's Report from our files is enclosed; however, this report is not a record of any water right. The report could be a supporting document if

you are required to file water right claims in the Snake River Basin Adjudication. Until the appeal is settled in the Weiser River basin, you are exempt from recording this domestic water right with and file a notice of claim at that time.

If this office can be of any further help, please do not hesitate to contact us.

Sincerely,

RE: Enclosed Letter from Paradis
DATE: April 21, 1988

I have enclosed a copy of a letter we received from Mrs. Juanita Paradis of Council. I have also enclosed a copy of the letter that I have written to her in reply.

In checking with Lynne Krogh-Hampe, she suggested that you would be the ones to handle that portion of the letter marked in blue. The "inspector" Mrs. Paradis mentions in her letter was Carter Fritschle and he does remember doing the inspection. He said that Mr. Paradis did not mention the neighbor at the time of the inspection and that the spring was not running. Carter checked the water right files, but he was not able to determine if there was a water right for another neighbor - just not enough information to go on.

Thanks for taking care of this.

Dept. of Water Resources:

Please tell me if we have to
fill again our spring
which we use for stock
water. Idmt. No. 67-7626 in
Adams County.

Last fall while I was away
on a job an inspector from
I.W.R. Dept. made trip up to
look at the spring. It was
dry because our neighbor
had got a back hoe in to
dig a deep hole just above
our spring. He had water
but we didn't for the first
time since 1980. My husband
did not tell the inspector this.
Can he legally do this? I have
not seen any notices in

local paper that he has
filed for a water right.

Could you check to see if
our deep well has been
filed on? Was drilled by
Dallas Drilling in Sept. 1979
Location NW $\frac{1}{4}$ NW $\frac{1}{4}$ Sec. 31 T 17
R 1 W. If not please send
necessary information for
both well and spring.

We just returned from a
trip to Nevada. Seeing southern
Oregon & Nevada made me
realize just how important
Idaho's water is.

Juanita Paradise
