SUBJECT: Palouse River Basin Adjudication (PRBA) Claim No. 87-10586

RESPONSE DEADLINE
DATE: NOVEMBER 30, 2020

Dear claimants,

Idaho Department of Water Resources (IDWR) has received your water right adjudication claim number 87-10586. After reviewing your claim, there is something I want to bring to your attention:

1. Date of Priority: The information I have available from Department resources for 87-4020 does not contain photographic evidence of the year the pond was dug. You claimed a priority date of 12/31/1964 based on photographic evidence related to 87-4020. To confirm this priority date, please provide a copy of the photographic evidence or additional evidence to support this date.

Examples of additional evidence include dated photographs, dated aerial images, written and signed statements by someone who has first-hand knowledge of the pond construction, etc.

If you would like to contact me, my telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov. If I do not hear from you or receive additional evidence by the response deadline, your claim will be recommended as disallowed.

Sincerely,

Christopher Holmes
Water Resource Agent
