SUBJECT: Palouse River Basin Adjudication (PRBA) Claim No. 87-10571

RESPONSE DEADLINE:
DECEMBER 2, 2020

Dear claimant,

The Idaho Department of Water Resources (IDWR) is reviewing claims filed in the Palouse River Basin Adjudication. During its review, IDWR found information that did not support the claimed priority date 5/01/1915. Based on dated aerial photos, IDWR can recommend a priority date of 9/07/1992. I have enclosed a copy of the preliminary recommendation for your water right. If you concur with the recommended priority date, no further actions is required.

If you disagree with the recommended priority date, please submit evidence supporting the claimed priority date by the response deadline. Label all documents with the claim number shown above. Examples of priority date evidence include a Residential Property Record, Occupancy Record, home/well construction expense records, dated photos, written statements, etc.

Please mail any additional evidence to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
