SUBJECT: Palouse River Basin Adjudication Claim (PRBA) No. 87-10579

RESPONSE DEADLINE:
DECEMBER 3, 2020

Dear Mr. Walser,

In regards to our phone conversation on 11/03/2020, enclosed is your Amended Notice of Claim to a Water Right. Below are comments on what is amended on the claim. Everything on the Amended Claim is the same as the original claim except these highlighted sections:

- #6, Use: Changed the use from Stockwater to Stockwater Storage and Stockwater from Storage.

Below are further instructions required from you:

- **#14, Purple Arrow, Signature:** You and/or Anita Walser sign and date the document.
- **Written Statement:** Please provide a written statement signed and dated by you, confirming when you purchased the property. Also in the statement, please provide your best estimate of the average pond depth or maximum depth. It is okay if you do not know the exact depth, but this estimate is required for the department to approximate the pond's storage capacity.

By amending your claim, you are accurately reflecting the type of usage occurring on the property. If you do not complete the amended claim form and provide the signed written statement, your claim will be recommended as disallowed.

Review the claim for accuracy. If there are any additional changes you would like to make, cross out the incorrect information, replace it with the correct information and initial next to it. I will send you a copy of your original Notice of Claim for reference.

Please mail the completed Amended Notice of Claim and signed statement back to my attention at 7600 N. Mineral Drive Suite 100, Coeur d'Alene ID 83815. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
