RE: Errors on Claim number 87-10924

Dear Mrs. Deerkop,

The Idaho Department of Water Resources (IDWR) is in the process of reviewing claims filed in the Palouse River Basin Adjudication (PRBA). While reviewing one of your claims, we identified an error between the claim form and the map. Your claim identifies the ending stream location as the SWSW $\frac{1}{4}$ of Township 42N, Range 5W, Section 26, but your map extends the stream into the SESW $\frac{1}{4}$ of Section 26. In order for us to recommend the entire length of the stream, we will need your authorization. There is no additional cost for making this change.

I have included an Amended Claim form with the suggested change highlighted. If you approve this change, please sign and return the claim form by **December 31, 2020**. Without your approval, we would not be able to recommend the last 700 feet of the stream.

If you have any questions, please feel free to contact me at (208) 287-4872.

Sincerely,

A handwritten signature in blue ink that reads "Glen Gardiner". The signature is written in a cursive style with a large, stylized 'G'.
