SUBJECT: Palouse River Basin Adjudication (PRBA) Claim No. 87-10709

**RESPONSE DEADLINE:
DECEMBER 8, 2020**

Dear claimants,

Idaho Department of Water Resources (IDWR) has begun reviewing your water right adjudication claim number 87-10709. While reviewing your claim, I want to ensure that I accurately recommend your water right. I could not find the legal description from the provided parcel number on the claim form.

Because of this, I am supplying a map that will be used to identify the legal description for your water right. On the supplied map, would you please mark an X on the approximate well location supplying the home? Also, circle the home.

Since the claim form does not contain a legal description, this map must be supplied to complete your claim. If I do not receive the map by the response deadline, your claim may be recommended as disallowed.

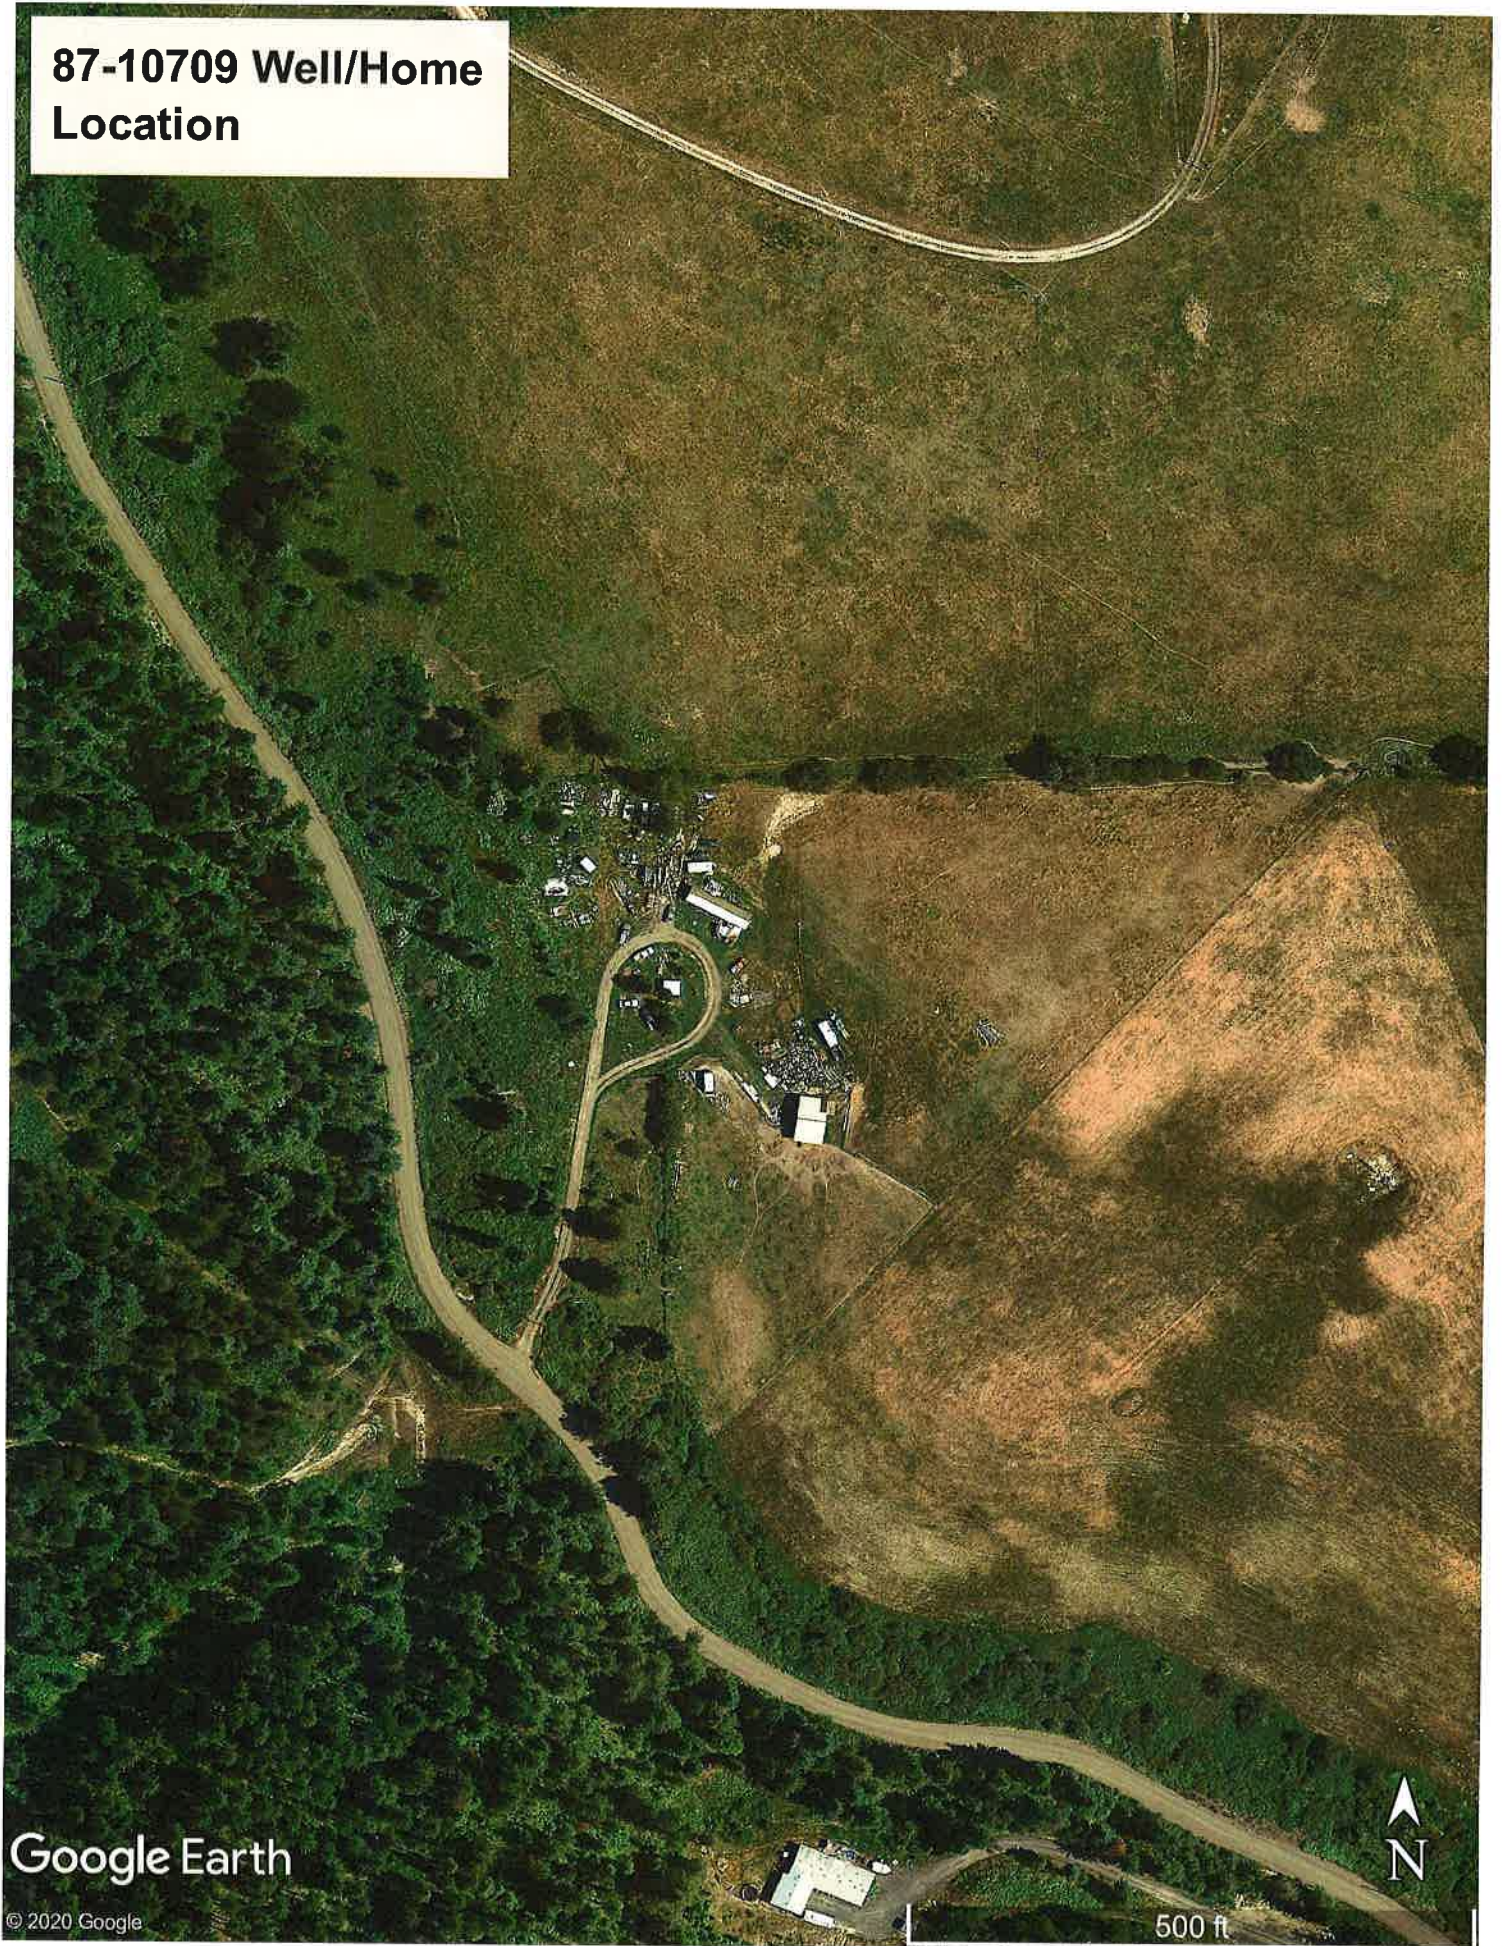

After you have completed the map, please send it to my attention at 7600 N. Mineral Dr. Suite 100, Coeur d'Alene ID 83815, or email it to my email address. If you have any questions, feel free to contact me. My telephone number is (208) 762-2810 and my email is christopher.holmes@idwr.idaho.gov.

Sincerely,

Christopher Holmes
Water Resource Agent
