RE: SRBA Claim A36-04050

Dear Claimant:

Pursuant to the notification that you presently own the property in which the above referenced adjudication claim is appurtenant, the Department has changed the record of the current owner as Mr. Sandy requested. Please find enclosed a copy of the computer record of the claim noting the change in claimant. Please review the record and if you have any corrections please contact this office.

Please note that the claim indicates the water usage is based on "Beneficial Use" or a "Statutory Claim". Water rights of this type are established by the historical use of water, dating back to when water was first used for the purpose claimed. The date the water was first put to use, known as the priority date, has not been confirmed by a License, Decree or Permit. Since the priority date of a beneficial use water right cannot be confirmed by field examination, proof must be provided supporting the priority date.

Please find enclosed a pamphlet entitled "Evidence of Priority". The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. While I encourage you to read all of the pamphlet, I direct your attention to the two sections entitled "What Kind of Evidence is Required" and "Some Examples of Documents Which May Be Evidence of the Priority Date".

It is our goal to recommend the historical water rights within the Snake River Basin as accurately as possible. Field exams to verify other items of the claim have been or soon will be conducted by Department personnel. Since the Department cannot confirm the priority date the way other elements of the water right are confirmed by field examination we are asking for evidence of the priority shown on the claim to make the record complete before recommending a beneficial use water right to the court.

The Department will not recommend the claim be decreed

RE: SRBA Claim(s) A36-04050, A36-10734, A36-10735, A36-10736,
A36-02232

Ladies and Gentlemen:

Pursuant to the change in ownership request that has been submitted to the Department, we have changed the record of current ownership on all the above claims except A36-02232 to you.

Our records indicate the current owner of claim A36-02232 is Bruce A. Berry. In order for us to change the current ownership to you, you need to provide the Department with chain of ownership proof (e.g. warranty deeds) showing the property was sold by Mr. Berry to Mr. Sandy. I am returning a copy of the Notice of Change of Water Right Ownership. Please attach a copy of the required chain of ownership proof to it and return it to the above address.

Please find the enclosed copies of the computer records of claims A36-04050, A36-10734, A36-10735, and A36-10736 noting the change in claimant. Review these records and if there is an error, or you have any questions, please contact this office.

Sincerely,

Trish Fawcett
