Re. property at 43N 05W 35 NE 1/4

Mountain Home Road - Latah County

When we purchased this property from my father (Wilbur Woolverton) the stockwater pond in question was already in place. (He built it to water his cattle.)

It has been used as an at-will place for our cattle to drink. We think it is 10 to 15 ft. deep. We have cattle there in the summer. The wild life which are there use it for water year round.
