Remarks:Comments:

1. jdean 11/6/2006 Overlap with 67-10795

Comment: This claim overlaps with 67-10795. The intent of this claim is to bring the total diversion rate up to 1"/acre. From discussions between C. Saxton and the claimant, it seems that the licensing field exam did not take into account part of the system. This claim is intended to represent the rest of the system. The affidavit of Rick Michael in the claim file describes the reason for the second bu claim. It also describes the system as having been in place back in 1956. The information in the affidavit and 2005 field exam matches closely with the information from the licensing field exam for 67-2270 (renumbered to 67-10795).

CONVERSATIONAL MEMORANDUM

Date: September 13, 2005

To: File 67-4135A, 67-10515, 67-10795

From: Craig L. Saxton

Subject: Evidence of priority

Received a call from Craig Jensen calling on behalf of his daughter Staci Morris. Staci received the evidence of priority letter to:

Billy D Michael
397 Riverdock Rd
Weiser Id 83672

Craig said that the property at this address is not irrigated and is the wrong address. He was calling to let us know that we might want to track down the real mailing address of Billy D Michael.

So I checked the proof reports and Richard Michael is also an owner listed on them with a different address of:

RICHARD A MICHAEL
1549 SCHELOSKE RD
WEISER, ID 83672

Comparing this with the tax lot data, this is what makes sense. So I think we sent one set of letters to the right address and one to the wrong one.

We will have to find out what is going on with Billy D Michael and if he has interest in these water rights any more. And if he does, then what is his new mailing address.
