CONVERSATION MEMORANDUM TO CLAIM FILE

TO: CLAIM FILE NOS. 67-10930
FROM: VICKY L MUSIC, SR WATER RESOURCE AGENT, IDWR / WESTERN
REGION
SUBJECT: CLAIMS REVIEW – EVIDENCE OF PRIORITY
DATE: 11/13/2006
CC:

I sent the Glaisters an evidence of priority letter and they called in response to it. A 1920 priority date was claimed for 7 acres of irrigation from Camp Creek. Their phone # is 253-0091.

I spoke with Mr. Glaister. They bought property from Mrs. Paradis in 1999. Mr. Paradis died some years prior to the Glaisters buying the property. Mrs. Paradis is deceased too so he cannot contact her about the water use. All of his information about the property came from her. Mr. Paradis' father owned and farmed the property for many years prior to his son owning it. Mrs. Paradis told him that they had used it the Camp Creek water during spring and summer when it was available from 1920. The Paradis' had a big farm and used the Camp Creek water for alfalfa. No other water right for the property – this is the only source of water for this land. No well.

Mr. Glaister has a 1 hp pump and only uses the water on area around the house. He has never irrigated the entire 7 acres. He said the alfalfa in the southern half of the property is not actively watered – watered by mother nature.

His point of diversion is from Camp Creek where it intersects his property east of the house.

RE: Evidence of Priority re SRBA Claim No. 67-10930

Dear William and Maxine Glaister:

In the past, JOAN AND GLEN PARADIS submitted the above referenced claim during the Snake River Basin Adjudication (SRBA) claims taking. Enclosed is a computer-generated printout of the claim for your reference. JOAN AND GLEN PARADIS indicated, when this claim was filed, that the water use was based on a "Beneficial Use" of the water. Water right claims of this type are established by historical use of the water for a beneficial use purpose, dating back to the time the water was first used; this date being the "Priority Date" as shown on the enclosed print-outs. This claim has not been confirmed by a previous filing with the Department of Water Resources since there is no decree, license, or permit on file to verify the use of this water. For this reason, the Department is required to gather evidence from claimants supporting the date of priority for claims based on historical beneficial use of water.

Enclosed is a pamphlet entitled "**Evidence of Priority**" which describes why evidence of the priority date is necessary, along with examples of types of evidence that can be submitted to fulfill this requirement. While I encourage you to read the entire pamphlet, I direct your attention to the two sections entitled "**What Kind of Evidence is Required**" and "**Some Examples of Documents Which May Be Evidence of the Priority Date.**"

If no evidence of this priority date is submitted, or if I do not hear from you by November 17, 2006, I will recommend to the SRBA Court that this claim be disallowed. Please call me as soon as possible to let me know if you may not be able to submit proof of priority or if you have any questions not covered by this letter and the enclosed pamphlet.

Please call if you have additional questions.

Sincerely,

Vicky L. Music
