I am sure the Salubria Cemetery District has been using the well for irrigation since 1960. I have been on the Cemetery Board since 1960. I acquired this when my father retired because of health reasons. I am now 66 years old.

Add Exp Remark in claim that states "Address Changed Per claimant Request who Date."

: Recommend 2 POD's (wells). Do not include new well as a TR needs to be filed.

: POA. Bosco Put in the POA in the wrong QQ. Use Tax lot Data to Determine. We do have pictures that support this as a irrigated Ground.

: Priority date affidavit says 1960's. This Allows us to Recommend 1969 as priority Date. However, this is in violation of the mandatory permit statute (March 25, 1963). Send EOP letter to get Better Evidence.

RE: Evidence of Priority for Snake River Basin Adjudication (SRBA) claim 67-10996

Dear Sir or Madam:

On 5-12-05 and IDWR employed contractor Bosco Bosler met with Jaxon Ernst to conduct a file exam for SRBA claim 67-10996. One of the items addressed was evidence of priority for the claim, or the date that water was first used from the wells to irrigate the cemetery.

An affidavit was provided by James Bumgarner. The affidavit stated that he has been on the board and since the 1960's and knows that the wells have been used since that time (copy enclosed). Because the affidavit was not specific to the year, it supports a priority date of 3/15/1969 (beginning of the irrigation season for the last year of the 1960's decade). However, this is in violation of the mandatory permit statute for new appropriation of groundwater.

The mandatory permit statute states that any new appropriation of groundwater commencing on or after March 25, 1963 required a permit to be filed with IDWR. Thus, in order to recommend this right on the basis of beneficial use (without filing a permit) the commencement of use (priority date) must be some date before March 25, 1963.

Claim 67-10996 claims a priority date of 8-9-1960. I assume that this date was chosen for a reason. IDWR needs evidence that supports that date or at least some date prior to March 25, 1963 in order to make a favorable recommendation to the SRBA court. At this time, IDWR has no choice but to recommend this claim as disallowed to the SRBA court as it is in violation of the mandatory permit statute.

I strongly encourage you to submit additional evidence **as soon as possible** to support an earlier priority date.

Enclosed for your convenience is a pamphlet titled "Evidence of Priority" that lists examples of types of priority evidence that can be used to support your claim.

Please feel free to contact me with any questions.

Respectfully submitted,
