Comments:

1. csaxton 5/24/2005 Claimant

Comment: Claimant contact is not up to date. Contractor Roger Meyer tried to locate the new owner and could not. I called Washington Co assessors and gave them the parcel # from the tax lot data available on GIS. The representative from the assessors office said the parcel # we have is not in their database. I cannot track them down using the physical address because they must have used a mailing address because it is in Boise. Recommend under current claimant name.

2. csaxton 5/24/2005 Recommendation

Comment: Claimant filed b-use in lieu of license 67-02352 as use commenced in 1930s. Evidence supports this. Recommend as licensed with priority date claimed. See notes in file.
