This is to certify that the property
30 acres at that time was well irrigated
from spring and run off water from Mesa
Cerracho.

I owned property across the road
and caught the waste water for my own
use.

It was irrigated from 1950-1975 by
successive owners Clyde Woods and
Tom Apple.

I can't speak to any water right
but it has been well irrigated in
the past.

Should you require any further
verification I will be glad to oblige.

I have witnessed the beneficial use of irrigation water on the permit for James Young number 67-14689 Snake River Basin Adjudication claim 67-11484. I am Delbert Ogle owner of Ogle Ranch lived in Indian valley for 58 years. My father owned the Young ranch for 25 years and we raised 1500 bales of hay on the Young ranch. We also feed 100 cows in winter hay there and pastured them in the summer. We used the springs and flood water (Mesa Orchard runoff) from about 1965 to about 1980.

RE: Amendment of claim 67-11484 and permit information for 67-14689

Dear Mr. and Ms. Young,

Per my conversation with Mr. Young this morning, I am sending a copy of permit 67-14689 for your review.

In addition, we spoke about amending Snake River Basin Adjudication (SRBA) claim 67-11484.

To recap our conversation, 67-11484 claims a priority date of 4-20-1976. This priority date is in violation of the mandatory permit statute. Idaho code 42-201 states that any new appropriation of surface water commencing after May 20, 1971 requires a permit to be filed. In some cases, small domestic use rights are exempt from the effect of 42-201, however springs are not. By filing a beneficial use claim for domestic and stock use from a spring in the SRBA, you are in essence stating that use of this water commenced prior to May 20, 1971. However, claim 67-11484 currently claims a priority date after 1971. As the claim reads now, I will have no choice but to recommend the claim as disallowed to the SRBA court.

Per our conversation, it sound like the use of the spring claimed under 67-11484 very well may have commenced prior to 1976. I am enclosing and amended claim that lists the priority date as 4-20-1967. Per our discussion, it was concluded that 1967 might be closer to the actual date of initial use.

Please look over the claim and feel free to make any changes you feel necessary. When satisfied, initial those changes and sign the claim in front of a notary. Please return it to this office by **September 15, 2006**.

Please give me a call if you have any questions.

Respectfully submitted,
