RE: 67-14058B OWNERSHIP

Dear Claimant:

I recently received correspondence from Ruth Reeder regarding the above-mentioned claim. The land listed in this claim has been listed in our records as being owned by M. Lynn Johnson, and I understand you are now the owner of the land. I have included a map outlining how I understand the current state of ownership.

IDWR is currently in the processing of reviewing the Adjudication claims in basin 67. We recommend that if, in fact, you now own the property in question, and do use the water for the purposes claimed, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a copy of your Warranty Deed and legal description of the property you have purchased.

If you have any questions, please contact me at (208) 287-4907.

Respectfully submitted,

Dear Sirs,

This is in regards to claims numbered 67-14058B,
67-14058A and 67-14420.

George Burger purchased ^{ditch^{AL}} ~~water~~ rights from the
Corriel-Anderson-Lindsey ditch in 1937 and began irrigating
from it at that time. I will include a copy of the deed

RECEIVED
SEP 09 2005
Department of Water Resources

We purchased the property from George Burger in 1973
together with all water rights. I first filed on
water rights in 1975 for a total of 38 acres. At that time I
sent a map of all the parcels of land that were under
irrigation. George and Inez confirmed that they had been
irrigating the described land since 1937 and the land has
continued to be under irrigation to the present. Both
George and Inez are deceased.

Half of our property was sold to Tom Fenelon in 1984
together with all water rights except the water for the four
acres that is described in the enclosed papers.

The water rights on three acres plus water for twenty
head of cattle was transferred to our daughter M. Lynn Johnson
in 1995. Claim number 67-14058B. Water rights on the one
acre plus water for twenty head of cattle was transferred to
our grandson David Keith Crosby in 2003. Claim number
67-14058A. We retained the balance of stock water rights,
Claim number 67-14420.

Wayne Burkhardt is the present owner of the balance of
water rights filed on in 1975.

If you need further information please contact me at
208-256-4335 or M. Lynn Johnson at 208-253-4342.

Declaration of Water Use

I began irrigating from ditch know as Coriell, Anderson, and Lindsey ditch in May 1937 and irrigated about 18 acres in SW $\frac{1}{4}$ NW $\frac{1}{4}$ and NW $\frac{1}{4}$ SW $\frac{1}{4}$ Section 36 Twp. 14 N. R. 1 W Boise Meridian each year until time I sold property in 1973. In 1937 the Little Weiser Irrigation Canal was put in and I began irrigating approximately 20 acres in the NW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 36 from the canal, and used water from this source also until date of sale in 1973, each year.

I used water for stock from these ditches and the river year round from 1937 until 1973.

I also had about 30 acres under irrigation from the Little Weiser River in SE $\frac{1}{4}$ NW $\frac{1}{4}$ and NE $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 36. This land was under irrigation each year since 1883.

Dear Claimant(s):

We have received and processed the Change of Ownership form submitted on the Original Notice of Claim to a Water Right Number as referenced above. This change of ownership required a split of this original claim resulting in the renumbering of the original claim by adding alpha suffixes to represent each split. The new Notice of Claim to a Water Right Number for your portion is referenced above. The right holders of the remaining portion have also been notified of this split and renumbering of their original claim.

Enclosed is a copy of this new claim which now reflects your portion of the original water right. Please keep this copy for your files and refer to the new claim number when corresponding with our office. RE: Snake River Basin Adjudication

Dear Mr. and Mrs. Reeder:

Enclosed is a copy of the computer-generated claim form for the Notice of Claim you filed. We have completed processing. Also enclosed is a receipt for the filing fees.

I have also enclosed a partially completed Notice of Change of Ownership form based on the correspondence we recently received regarding the transfer to your daughter of 3 acres of the irrigated land described in your claim. Please note that the claim includes stockwater and if you wish to transfer a portion of the stockwater use, you will need to note that on the change of ownership form. You will need to attach documentation to show proof of the property being conveyed to your daughter as noted on the change of ownership form. It may help eliminate problems if you also include a map clearly showing the irrigated acres and division of land; an ASCS map may be useful for this purpose.

Your daughter should complete the incomplete items (address, etc.) and sign the form. There is no filing fee associated with the submission of this form.

Please do not hesitate to call this office if you have any questions or need assistance. Please return the documents to this office.

Respectfully,

Helen L. Thornton
