RE: CHANGE IN OWNERSHIP FOR SNAKE RIVER BASIN ADJUDICATION (SRBA) 67-14229

Dear Claimant:

It has come to our attention that you may have recently purchased a tract of land in Washington County. According to our records, the property to which I am referring was most recently owned by George Snyder and Carolyn Wesner. The legal description is as follows:

T14N R03W Sec. 33

NW1/4SW1/4

This property was filed on in the Snake River Basin Adjudication (SRBA). We recommend that if, in fact, you now own the property in question, and do use the water for the purposes claimed, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

1) Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a copy of your Warranty Deed and legal description of the property you have purchased.

2) Two of the purposes of use are "Aesthetic" and "Aesthetic Storage." In your return correspondence, please describe the nature of the aesthetic use.

3) Additionally, the claim indicates your water usage is based on "Beneficial Use" or a "Statutory Claim." Water rights of this type are established by the historic use of water, dating back to when water was first used for the purpose claimed. The date of first use, known as the priority date, has not been confirmed. **Proof must be provided by the claimant supporting the priority date claimed and the historic use of the water.** Enclosed you will find a computer printout of your claim and the pamphlet entitled "Evidence of Priority." The pamphlet describes the types of evidence required and suggests which documents will fulfill this requirement. **PLEASE NOTE:** If no evidence is submitted, IDWR will recommend the SRBA Court decree the claim be disallowed. It will be to your advantage to provide clear and convincing evidence. If you choose to submit statements from individuals as evidence, the statement should be in the form of a notarized affidavit. If you have any questions regarding this matter, please call me at (208) 287-4907.

Respectfully submitted,

Monica P. Van Bussum
Water Resource Agent/GIS Technician
Adjudication Bureau
