RE: Preliminary recommendations for Snake River Basin Adjudication (SRBA) claims 67-149, 67-14269 and 67-14271

Dear Mr. Griffin,

Per your request, I am sending you copies of the preliminary recommendations for your Keithly Creek water rights. Look them over and let me know if you have any questions.

Side Notes:

1) You have a private SRBA claim filed for your Lost Valley Reservoir Share water. This claim is being recommended as disallowed because the share water is being recommended in the name of Lost Valley Reservoir Co. **This does not mean** the storage water is not applicable to your ground. It just means that the water right is being recommended in the company name.

2) You are going to be notified about another water right applicable to a portion of your property. The source for this water right is the Weiser River. This is different than your Lost Valley "share" water. You told me on the phone you haven't been using live water from the Weiser, but Blendu filed a claim for it when he owned the property. Based on when the time the license was issued and when the SRBA claim was filed, I am not going to recommend this right as forfeited. It does not mean that someone else won't object to the recommendation and argue that it is forfeited due to non-use. When you get the information, look over it and if you do not wish to pursue the water right, give me a call.

Feel free to call if you have any questions.

Respectfully submitted,

Craig L. Saxton
Sr. Water Resource Agent

Remarks:Comments:

1. csaxton 9/21/2006 Recommendation

Comment: This right is the result of splitting 67-2177. However, based on my research, 67-2177 should not have been split because this water was not used on the NE side of Keithly Creek. I was going to re-combine 67-14268 and 67-14269 but it appears that I cannot even recommend what was claimed under 67-14269 anyway. Since it appears that part of 67-2177 was either lost through forfeiture or never really existed to begin with, I did not recombine the children claims as it was not necessary and a water right number different than 67-2177 better represents that this is only a portion of the original license.

2. csaxton 9/21/2006 Acre Limit

Comment: Acre limit determined by taking shape for 67-149, 67-14269, 67-14271, & 67-14364 and merging them together into one shape. The total acres of this shape is the acre limit for the rights.

3. csaxton 9/21/2006 From Claim (1)

Comment: ADDRESS CHANGE BY DB 8/31/2004

4. csaxton 9/21/2006 From Claim (2)

Comment: This claim is the result of a split due to change in ownership for a portion of 67-2177. DB 8/14/2001

5. csaxton 9/21/2006 POD

Comment: POD recommended different than licensed but the licensing field exam map confirms recommended POD location. Not flagged as accomplished change in POD because I do not think it actually ever changed.

Re: Original Notice of Claim to a Water Right No. 67-02177

Renumbered Notice of Claim to a Water Right No. 67-14269

Dear Claimants:

We have received and processed a Change of Ownership for a portion of the original Claim to a Water Right Number as referenced above. This Change of Ownership required a split of the original claim resulting in renumbering this claim, using a new water right number to represent each split. The new Notice of Claim to a Water Right number for your portion is referenced above and a copy is enclosed.

Your portion of this claim has a specified point of diversion, nature of use and place of use. If you plan on changing the nature of use, place of use, or point of diversion under this right, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. Please contact this office for further information on the Application for Transfer form. If you do not plan on changing any items on your claim, then no further action is required at this time. You will be notified of any future action taken on this claim. Also enclosed is a copy of the original claim for your reference.

Please feel free to contact this office if you have any questions concerning your claim or this letter.

Sincerely,

A handwritten signature in cursive script that reads "Denise Buffington".
